OUR GREAT GOD: HOW HE'S WORTH PURSUING

July 8, 2011

Pursue: *to follow in order to overtake; to find or employ measures to obtain or accomplish; chase*

We pursue that which we believe to be valuable; we pursue something only if we think it's worth the effort.

HOW DO WE PURSUE GOD?

The pursuit of God requires complete **Submission** to Him.

- Labor
- Conscious decision

The pursuit of God requires **Meekness**.

- Giving up the burdens of pride, artificiality, self-love, right to myself
- Accept God's estimate of your own life

The pursuit of God requires that we see everything we say and do as **Sacred**.

- We don't live two lives—there is no division between "sacred" and "secular"

The pursuit of God requires that we exercise an **Aggressive faith**.

- Passivity is the death of faith
